## **CFMTA MISSION STATEMENT**

We are a national organization that provides leadership in music education across Canada.  
We promote and support high standards of teaching among our provincial and territorial members.

In everything we do, we:

1. Foster the learning of music as an integral part of the lives of Canadians.
2. Provide opportunities for our members to enhance the musical experience for all Canadians.
3. Honour and support Canadian music and its contribution to our culture.
4. Represent our membership with other musical education organizations nationally and internationally.
