

Young Musicians' Recital Series

THE YOUNG MUSICIANS' RECITAL SERIES

PURPOSE:

As part of a continuing effort to promote performance skills among student musicians, the PEI Registered Music Teachers' Association (PEIRMTA) sponsors student recitals during the year. This series of recitals provides student musicians with the opportunity to gain performance experience in a supportive environment and to prepare for various music festivals and exams. Any music student on Prince Edward Island may participate.

Recitals are held on Saturdays at 4:00 pm (with an additional 5:00 pm recital if there are sufficient entries) in the Dr. Steel Recital Hall at UPEI.

TEACHER VOLUNTEERS NEEDED:

Each recital will require **two teacher volunteers** to help, one assisting or covering at the door for our treasurer, Jacqueline Sorenen Young, and one to welcome students and parents, make announcements as needed, help with stage setup, and generally keep things running smoothly. It seems logical to have teachers who will already be there to hear their students perform, but anyone is welcome to help out!

DETAILS FOR PERFORMERS:

- Each recital will be 45-50 minutes of music.
- Please be precise in entering the timing of your piece(s) on the entry form.
- A student may play more than one piece or a multi-movement work as long as the performance fee is paid for **each piece/movement**.
- Repeats are to be omitted; however, the repetition of short sections may be observed to preserve the structure of the composition. All Da Capos and Dal Segnos should be observed.
